**IMMEDIATE ATTENTION**

**MV "AMIS INTEGRITY" – CHARTERPARTY DATED 25 JUNE 2018**

As Charterers are aware, under the Charterparty, hire is payable in advance. However, Owners did not receive in their account any payment in respect of their Debit Note for the 18<sup>th</sup> hire under the Charterparty on the due date.

On 8 July 2019, Owners served on Charterers a notice in accordance with clause 11(b) of the Charterparty requiring Charterers to pay the overdue hire within 3 (three) clear banking days. Owners stated that if Charterers failed to do so, Owners would withdraw the vessel.

Three clear banking days have now elapsed from the date of the aforesaid notice but Charterers still have not paid the overdue hire.

Further, Charterers have failed, in breach of the Charterparty, to pay the hire due under Owners' Debit Note for the 17<sup>th</sup> hire and so there is now a total of US\$417,300.00 outstanding.

In light of Charterers' late and/or non-payment of previous hire instalments, recent statements and/or conduct by Charterers, it is clear that Charterers are unwilling or unable to perform the Charterparty and/or no longer intend to be bound by its terms. Further or alternatively Charterers are in repudiatory breach of the Charterparty.

Owners hereby accept such breaches and/or Charterers' renunciation as bringing the Charterparty to an end, and discharging Owners from any further obligations under it.

Further or alternatively, Owners hereby exercise their right under clause 11(a) of the Charterparty to withdraw the vessel from Charterers' service.

Owners expressly reserve all of their rights and remedies, including but not limited to claim damages from Charterers in respect of any loss, damage, cost and/or expense which may be incurred by Owners.
